AFTER FINAL – EXPEDITED PROCEDURE

RESPONSE TO ADVISORY ACTION OF APRIL 14, 2003

This paper responds to the Advisory Action of April 14, 2003. This paper is filed within the original shortened statutory period set in the Office Action of January 29, 2003.

Applicant thanks Examiner Kanof and Supervisory Examiner Sough for an extensive telephone interview of April 14, 2003. The telephonic interview largely paralleled the topics discussed in Applicant's papers of March 31, 2003. In the course of that telephonic interview, it was agreed that finality of the Office Action of January 29, 2003 was withdrawn, and that the rejections of January 29, 2003 would be reconsidered. Applicant requests an acknowledgement indicating that the papers of March 31, 2003 will be entered, and that no further response is necessary to prevent abandonment.

In view of the amendments and remarks, Applicant respectfully submits that the claims are in condition for allowance. Applicant requests that the application be passed to issue in due course. The Examiner is urged to telephone Applicant's undersigned counsel at the number noted below if it will advance the prosecution of this application, or with any suggestion to resolve any condition that would impede allowance. In the event that any extension of time is

required, Applicant petitions for that extension of time required to make this response timely.
Kindly charge any additional fee, or credit any surplus, to Deposit Account 50-0675, Order No.
